The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number	Condition and Number	Nature of Noncompliance
1	Mandatory	<p>The defendant shall not commit another federal, state, or local crime.</p> <p>On June 13, 2020, Mr. Caffey violated this condition of supervised release when he appeared at his ex-girlfriend's (victim) residence and was knocking aggressively on her door. After the victim refused to open the door, she witnessed Mr. Caffey throw a large, black aerosol can through an open window of her vehicle. After Mr. Caffey left the area, the victim checked her vehicle and she could smell a strange odor. The fumes inside the car irritated her nose, lungs and eyes. Once Maumelle Police arrived, the fumes were identified as a form of pepper spray/mace. The Maumelle Police incident report, 20-974-OF, referenced the offense of Harassment/Conduct that Repeatedly Causes Alarm (Class A misdemeanor).</p>
2	Standard (6)	<p>The defendant shall notify the probation officer ten days prior to any change in residence or employment.</p> <p>On June 13, 2020, Mr. Caffey failed to report his change of address to his probation officer. Attempts to contact Mr. Caffey were made to no avail. His current whereabouts are unknown.</p>
